

Jaguar Class Homework Term 4

Nurture:	
Reading Children are expected to read at least three times a week and bring in their signed reading record on Fridays to monitor this. Books can be changed as and when they need to be, just let us know!	
Weekly spellings/Spelling Shed Children will be given a weekly spelling list to learn at home. This list will be in line with the words they have learnt in phonics that week. This list will be available to practice on Spelling Shed.	Weekly times tables/TT Rockstars Children will be set appropriate times tables on TT Rockstars. It is expected that they access these at least three times a week in order to practice and maintain their knowledge.

Challenge: Children are given the opportunity to complete 9 different homework challenges throughout the term. These consist of English, Maths, and Topic tasks as well as activities that can go towards their Cultural Passport. These are optional. Please ask if you need any sheets to be printed.		
English Write a letter to the Prime Minister to convince him to make changes to help improve the effects of climate change.	English Document changes you see outside of your window – think about things that are always the same and what changes across a week.	English Write a story including as many of the year 5/6 words as possible.
Maths Complete the ultimate fractions, decimals and percentages challenge on the worksheet provided.	Maths How many decimals or percentages can you find around your house? Can you convert these to the equivalent fractions and percentages/decimals?	Maths https://www.teachactive.org/my-account/?code=V23S7 6.2 Fractions Quest(ions)
Topic Using 'hour of code' online – follow the tutorial called 'imagine a world' to create your own wonderful scenes. https://scratch.mit.edu/projects/editor/?tutorial=imagine	Topic How many examples of melting, freezing, evaporating can you find around your house? Are there any examples of reversible or irreversible changes?	Topic Think about the images from 'Window', can you create a collage using recycled materials to create a scene from a window?
