

Term 5 Homework

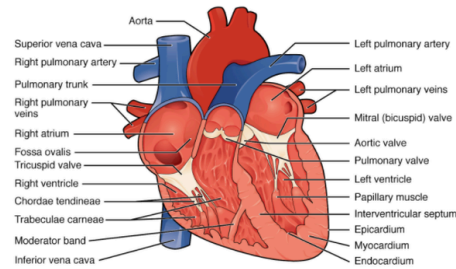

Throughout Term 5, you need to complete 3 out of the 9 activities from the grid below. When you have completed a piece of homework, you should bring it in to present to the class and then we will put it up on display!

English - Write a character description based upon this image. Don't forget to include figurative techniques such as: metaphors, similes, alliteration and assonance.

Science

Draw and label a picture of a human heart.

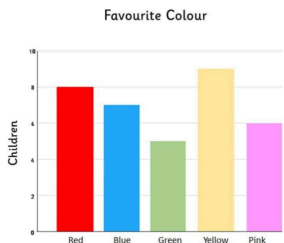

PE Challenge

1. How long can you hold a plank for?
2. Can you do 20 burpees without stopping?
3. Can you star jump to an entire song?

FINAL CHALLENGE: create your own warm up that we can use in a PE lesson!

Statistics

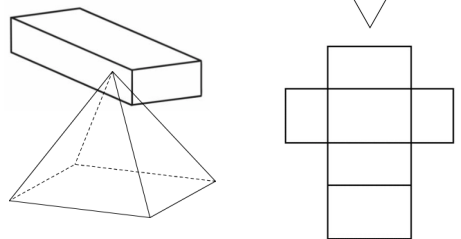

Collect data and present it in a bar chart! It could include: how many different colour cars travel up and down your road, or what TV show is your family's favourite? It is completely down to you!

Shape

Create a challenge for me to complete that match 3D shapes.

For example:

PSHE

Research a career you are interested in and create a poster explaining about the role of the job and the potential earnings of the career. Are there any particular people you are inspired by that could be included also?!

Wellbeing

Complete a jigsaw puzzle.
Go for a bike ride or a scooter.
Say something nice to a family member.
Make a den or fort using sheets and chairs!

Fact File

Create a fact file of King Henry VIII and why he was a particularly significant monarch during his time.

Tudor House

To go alongside our Tudor learning, design and create a Tudor house!
