First Day of Term 6

Spring has arrived and as we approach the end of Term 4, we are looking forward to all the Easter events we have planned and enjoying the sunshine.

On Wednesday, the whole school will be walking to the church together. Please can children bring a change of footwear as it may be a little bit muddy. Additionally, please see the attached poster for our Easter competitions and details of the PTFA's Easter Fun Day.

I am very excited to announce that our first ever *Aldington's Got Talent* show will start next term. Please see the attached poster for further details.

As always, the children have surpassed my expectations and put on a truly amazing performance of Beauty and the Beast. Thank you to Owls, Bears and the teachers for the time and effort you put in.

We appreciate that it must have caused a lot of inconvenience when we had to unexpectedly close the school due to the power cut—thank you for your understanding and support.

The Key Stage 2 football teams have been in action again: beating Hamstreet 5-0 and unfortunately one lost in the semi-finals and the other was knocked out at the group stages of the primary school's football tournament. However, all players showed excellent sportsmanship! Our Hockey team have also been in action, the results are not in yet!

Please note that children should not be on the school site before 8.30am. Before this time they are not being supervised; therefore, we cannot guarantee their safety or wellbeing in these circumstances.

I would like to wish all our families a relaxing Easter break. We look forward to welcoming the children back on Tuesday 22nd April.

Best wishes
Ben Dawson

At Aldington..

Year 4, 5 and 6 enjoyed taking part in the Money Matters Workshop based on the book Why Money Matters by Deborah Meaden.

The Eco Committee had a fantastic day planting for the vegetable path project that was initiated by the winners of the Paul O'Grady award last year.
